

Jack Craciun III Honored to give Keynote Speech Celebrating the Merger of Dr. Tang Jinlong's Law Firm Dehuai with Jingsh, China's Leading Law Firm

On December 8, 2017, the renowned Dehuai Law Firm, headed by Dr. Tang Jinlong (Golden Dragon)唐金龍博士, and the Jingsh Law Firm, China's first and largest domestic and international law firm, made their merger official at a Signing Ceremony held in the Jingsh headquarters in Beijing. Dr. Tang has joined Jingsh Law Firm as Chief Partner and Honorary Director.

Dr. Tang Jinlong founded the Bank of China Law Firm in 1993. Since that time, BOC Law Firm has been established as a leading team in the legal profession of financial and securities lawyers in China. In November 2016, People's Daily, China Financier Magazine, China Investment Association, China Electronic Commerce Association and China Enterprise Culture Association jointly awarded Dr. Tang Jinlong the title of "China's Most Influential People in the Financial Sector". Dr. Tang has served to establish and/or operate more than 300 publically listed companies, supporting and cultivating hundreds of new generation China millionaires and billionaires.

The Jingsh Law Firm is a leading full service law firm in China, with over 4,000 lawyers working in 53 offices throughout China and 73 offices spanning Africa, Asia, Australia, Europe, the Middle East and the US.

Jingsh has gained a large client base of over 60,000 Chinese companies and offers both local insight and comprehensive cross-border services in all major regions around the world.

Among the requested speakers at the Signing Ceremony was globally recognized China Specialist, Mr. Jack Craciun III, Chairman/CEO of ITM (US) Ltd. (www.itmltd.com), who lived and pioneered in China for twenty years, beginning in 1985. Mr. Craciun returned to China 3 months ago to advance the global business interests of two USA ITM Strategic Alliance affiliates in association with ITM China Alliance, the Maslink Group (www.Maslink.com).

Through its ITM Chinese Ambassador Program, the ITM USA Immigrant Investor Visa Cross Cultural Exchange initiative is bringing powerful Immigrant Investor opportunities to China and the USA to advance the primary interests of the "ITM China-US Investment Cross Cultural Exchange Programs", The First Dragon Ltd, The First Dragon Foundation Ltd, and The Future of Medicine, Inc., and The First Dragon Publishing Ltd. ITM is working through Strategic Alliance associates Mr. Andrew D. Smith, co-founder & President of Houlihan Capital (www.houlihan.com) and Mr. Ross Farro, Founder of Mental Health Partners (MHP) (<http://www.premierdevelop.com>), a leading US real estate developer whose most recent ventures are with Assurance Health Systems (AHS) Geriatric Mental Health Centers www.assurancehealthsystem.com, and Blaze Pizza Restaurants (www.blazepizza.com/press/) ("the

12月8日一早起來,我就打電話給 Jack 的女朋友 Lorinda,我告訴她,昨晚我做夢夢到 Jack,12月25號聖誕節的那一天,拎着箱子在克里夫蘭,電話里的 Lorinda 笑着對我說:不可能,因為來回費用太貴,而且事情也沒有着落,我又打了電話給 Jack,他說絕不可能,聖誕節2018年前他不可能回美國,當然這只是我的一個夢。

12月22日。Jack 說有一個急事要回來了,12月25號下午5點到克里夫蘭,他說我的夢想成真。我明白,人是思想與情緒組成的,人靠能量和磁場。人與地球是3D,人與宇宙是7D,我不是搞科學,但發現很多事情我預知的都能變成現實。

今年九月是 Jack 自2005年從中國回美國後第一次再踏上他心中愛的中國,如果您常看伊利華報,那麼你對 Mr. Jack J. Craciun III (約翰. J. 克勒瓊三世) 不會陌生,因為我們時常報道他的故事。而我認識他是在2007年10月,整整10年,他熱情豪放,尤其在在中美建交之前在他父親強行要求下1985-2005年到了中國和香港生活了二十年,10年來,我看着他對中華文化有着獨衷情懷,我自己正在做一份中文報紙,當然也就是儘自己的義務和能力做我該做的事情:因為我明白,在這個世界上,有人幫是幸運,無人幫,是公正的命運。因為生命是你自己的,你得為自己負責。浦瑛

world - think of Jones Day. In my father's family, there have been three lawyers and two judges of the State of Ohio. So my life has been attached to law. And I see the function of law contributing to the building of a nation when I consider China. In fact, when I arrived in China in 1985, and was welcomed by leaders of the People's Republic of China in a way I never could imagine, and when I found out that the reason I was welcomed was because I was Romanian-American, that blew my mind. So this relationship between Romania and China, my grandfather and his grandfather's relationship with China affected my life forever.

Let me tell you a story about 1985. I was told by Chinese leaders that the most important contributors to the building of this nation were taxi drivers! That the humblest workers were the ones that would build the greatest nation on earth - China. I think about lawyers - how important were lawyers in 1985? Do you know? Zero! In 1985, there were no cars on the roads in China. We were building a new nation. In less than 15 years, there were millions of cars on the roads.

The last 30 years has developed China into the number two economy on earth. You lawyers are the future of not just China's economy, but a global economy. And in order for that to occur

in a powerful and efficient way, China and USA political and business leaders...we have to consolidate, we have to merge.

Today I am humbled, and I can't understand how God got me here, but I'm very proud of all of you. Doctor [Dr. Tang Jinlong] - I am so proud of you! Jingsh bosses, what you have built in 23 years, Jones Day, the number one law firm in the world took 125 years to do. And now the globe is your responsibility.

What makes me most excited are the young lawyers here, because you are the future of the Jingsh Law Firm. And you must learn by their example [indicating Jingsh leaders]. Grow the firm, grow the nation into the globe!" - Jack Craciun III

Dr. Tang Jinlong has expressed an earnest interest, and has held numerous meetings with his associates and Jack Craciun to establish the "ITM / China Finance and Industry Group Strategic Alliance." Mr. Craciun has now returned to the USA for three weeks to lead strategy meetings with US Strategic Alliances Houlihan Capital and Ross Farro Enterprises --in video conference with Dr. Tang and ITM Alliance associate, Jason Xu Li, Chairman of the Maslink Group (www.maslink.com).

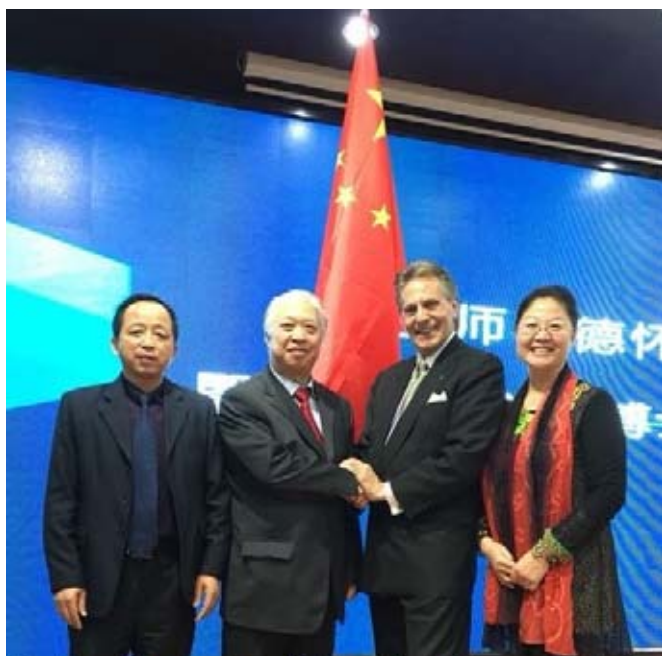

While the ITM US Alliance leaders are prepared to visit China at the invitation of Dr. Tang and Mr. Li, ITM is also extending the opportunity to Dr. Tang and Mr. Li to visit the US to further discuss ITM China-USA Investment Cross Cultural Exchange Programs and tour Assurance Health Systems facilities and Blaze Pizza restaurants.
